

Cheyenne Frontier Days™

Exhibitor Information

2024

The Process:

- ❖ Cheyenne Frontier Days™ will contract renewals sometime in February.
- ❖ If there are openings, we will look at the new applications (waiting list) and make decisions.
- ❖ If you are selected, you will be notified prior to contracting to make sure you are still interested.
- ❖ If you are not contacted, you will remain on the waiting list. You must reapply each year to stay on the waiting list.
- ❖ If we get any cancellations, we will go to the waiting list to find a replacement. Note: The waiting list is not first come, first serve. We will look for new and different vendors that we think will compliment our show.
- ❖ You must reapply each year to be on the current year's waiting list.
- ❖ You can usually begin applying in mid to late August of each year online.
