Cheyenne Frontier Days™
RODEO ACTION
CONSISTS OF THREE TYPES
OF COMPETITIONS:

ROUGHSTOCK EVENTS

Bareback, Saddle Bronc and Bull Riding

HIGH SCORE WINS • 8 SECONDS ON BUCKING ANIMAL

A contestant’s score is equally dependent upon his and the animal’s performance, and the higher the better. To earn a score, the cowboy, while using only one hand, must stay aboard a bucking animal for eight seconds. If the rider touches the animal, himself or any of his equipment with his free hand, he is disqualified. These events initiate from the 10 bucking chutes in front of the East Stand.

TIMED EVENTS

Roping, Wrestling, and Barrel Racing

FAST TIME WINS

In roping and wrestling events, calves and steers are allowed a head start before the contestant leaves the box at Chute 9 at the south end of the arena. A 10 second penalty is added for leaving the box early. Women’s Barrel Racing requires true partnership between horse and rider, as they navigate around 3 barrels in a cloverleaf pattern. Barrel Racing is run from the north end of the arena.

RACING EVENTS

Wild Horse Race

FIRST TO FINISH LINE WINS

TEST OF TEAMWORK • THRILLS AND ACTION

The Wild Horse Race is a thrilling rodeo event at which teams of cowboys compete to see which of them can be the first to saddle and ride one of the wild horses completely around the track. This event, full of thrills and action, is a perennial crowd favorite.

And just nearby, you might notice a little dust as we build the all-new Morning Star Indian Village, a one-of-a-kind cultural space set to debut next year. This vibrant addition will honor and share the rich heritage of the Plains Indian tribes through living history, performance, and tradition.
